

Corazón Awards

Sponsorship Opportunities

For over 30 years, Con Mi MADRE has provided support to students and their mothers on their journey towards higher education, leadership roles, and lasting success.

The Corazón Awards serve as our annual tribute to this dedication.

This is not merely an event; it is a movement.

Join Us for the 17th Annual Corazón Awards!

On Tuesday, May 19th, we will unite community partners, supporters, and local leaders for the 17th Annual Corazón Awards. This special evening is dedicated to honoring the individuals and organizations that contribute to our mission. We believe that empowering families with guidance, resources, and encouragement leads to stronger, more stable futures.

As families encounter new and complex challenges, the services provided by Con Mi MADRE—such as college readiness programming, mentorship, and comprehensive support for students and families—remain essential. Our aim is to ensure students stay on the path to higher education and possess the necessary tools for success.

By sponsoring the Corazón Awards, you are aiding in the support of:

- Students who are the first in their families to pursue college
- Mothers dedicated to their children's education and future
- A vibrant Central Texas community fostered by informed and prepared young leaders

Thank you for believing in our students, our mothers, and the power of education to transform generations!

With gratitude and corazón,

Linda Medina-Lopez

Executive Director
Con Mi MADRE
